

The Tenth International Industrial Engineering Conference

27 & 28 January 2014

Industrial Engineering Approaches in Business Continuity

Conference topics:

- Business continuity approaches
- Economics engineering and financial engineering
- Optimization and mathematical programming in manufacturing and service industries
- Layout design in manufacturing and service industries
- Supply chain management and logistics in manufacturing and service industries
- Production management, production planning and sequencing
- Project management
- Quality management and engineering
- Reliability and maintenance management and engineering
- Human factors engineering/ HSE
- Manufacturing engineering
- Crisis/ Risk management
- Probabilistic models and queueing systems/ Systems simulation
- Fuzzy models and soft computing
- Information systems/ artificial intelligence and expert systems/ data mining
- Waste management/ productivity improvement and process reengineering
- Environmental/ Energy engineering and management
- Healthcare engineering
- Socio-economic system analysis
- Business architecture/ product design

Important dates:

- Submission deadline: 6 November 2013
- Acceptance notification: 21 November 2013
- Camera ready deadline: 1 December 2013
- Registration deadline: 31 December 2013

Selected papers will be published in scholarly journals indexed in ISC

Technical Sessions

Technical sessions provide great opportunities to share knowledge in the field of conference tracks among researchers and experts from academia and industries.

Conference Workshops

During the conference, workshops are held with the attendance of academicians and practitioners.

Exhibit Space

Exhibition booths are provided to present scientific and industrial capabilities and achievements of universities, organizations, and businesses.

Conference Secretariat

School of Industrial Engineering, Central Building, College of Engineering- Paradise 2, University of Tehran, North Kargar Street, after Jalal Ale Ahmad, Tehran
P.O. Box: 11155-4563 Telefax: (+98) - 21 - 82084195

Conference chair:

Dr. Kamran Rezaie

Conference technical chair:

Dr. Masoud Rabani

Conference organizing chair:

Dr. Ali Bozorgi
